

17-HAN-01

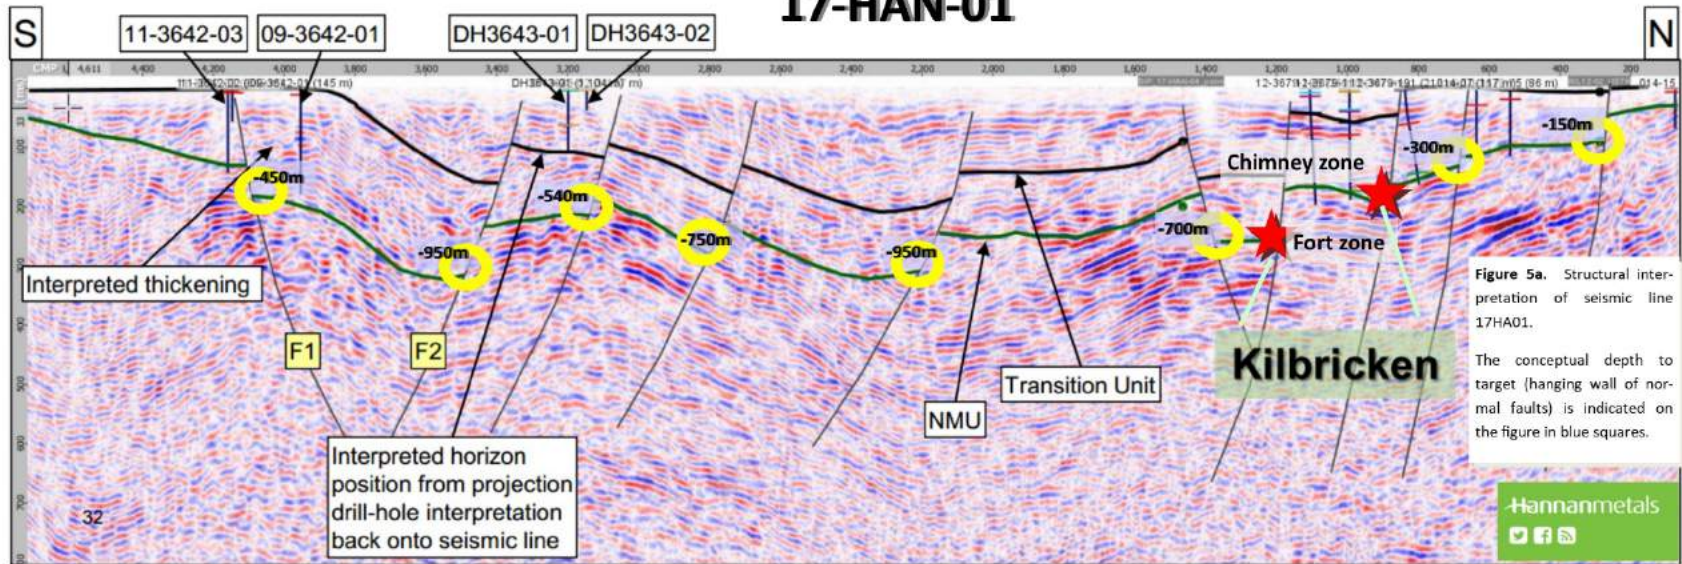

Figure 5a. Structural interpretation of seismic line 17HA01.

The conceptual depth to target (hanging wall of normal faults) is indicated on the figure in blue squares.

Targets

17-HAN-02

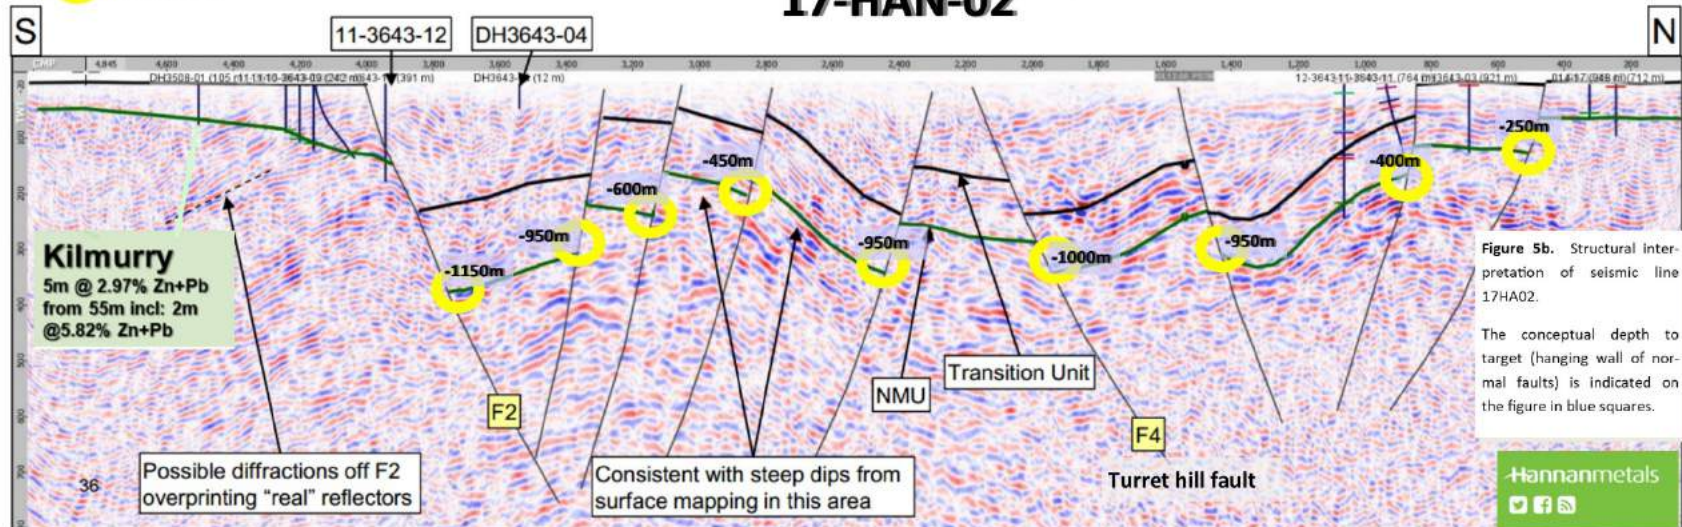

Figure 5b. Structural interpretation of seismic line 17HA02.

The conceptual depth to target (hanging wall of normal faults) is indicated on the figure in blue squares.
